

International Dial-in Numbers

Conference participants outside the USA can use an in-country dial-in number to avoid international long-distance charges. Unless otherwise noted, your GenesisNetworks account is billed 6.9¢ per minute for callers who join your conference calls using these numbers, except for Canada dial-in numbers which are billed 3.9¢ per minute. **Higher per-minute rates apply for highlighted dial-in numbers.** (Callers are responsible for any applicable usage charges billed by their phone companies when calling these numbers.)
