

Foreign Language Dial-in Numbers

Any caller can use these dial-in numbers – your Conference ID will work with all of these numbers. Callers who dial these numbers will hear the prompts and announcements in the specified language. Note that different callers to the same conference call may use different dial-in numbers. A caller who dials a standard English access number will hear the prompts in English, while a caller who dials Spanish access number will hear the prompts in Spanish, even though they enter the same Conference ID to join the same conference call.

In addition to the USA dial-in numbers listed at right, foreign language dial-in are available in these countries: Brazil, Canada, France, Germany, Italy, Mexico, Netherlands, Portugal, Puerto Rico, and Spain. See [International Dial-in Numbers](#) are available or the list of foreign-language numbers.

Other Special-Purpose Dial-in Numbers

Recording Playback	(215) 644-7700	If Recording Playback is enabled, callers dial this number to listen to a conference recording over the phone.
Prayer Line Greeting	(302) 202-1133	In lieu of the standard Genesis welcome greeting, callers who dial this number will be greeted with “Welcome to the prayer line”, and then prompted to enter the Conference ID. You may distribute this dial-in number in lieu of the dial-in number assigned to your Genesis account. Your existing Conference ID will work with this dial-in number.
Listener Count Prompt	(678) 293-4400	Your conference line can be configured to prompt callers to enter the number of listeners at their location. (This is popular feature with Kingdom Hall listening lines.) The Listener Count

will be displayed in the Host Control Panel, and you can press *92 on your keypad to hear a private announcement of the count of active listeners. To activate this feature and to receive a modified post-conference email report that includes a total listener count listed in the report, please call Genesi Networks support at **1-888-436-3746 press 8**.

Silent Monitor

(848) 888-9800

This access number allows you to listen into a conference call for coaching or compliance purposes. No audible alerts are played into the conference when you join or leave, and your line is automatically muted upon arrival. (You can un-mute your line by pressing *6.) You are prompted to enter both your Conference ID and Host PIN when using this access number, and your presence will not affect the start or end of the active conference. (The conference will not begin until at least two other parties are present.) Note that your participation is displayed in the Host Control Panel and listed in the post-conference email report.
